Wanna Be back home
I've had enough so far
Wanna reach my soul
Wanna feel my heart
Wanna Be back home

Wanna feel my self
Wanna hear my soul
Deep in between, heart to heart
Straight back to love
Wanna Be back home

Been on the go for too long
All the roads lead to Roma, I've enough "della guerra"
Wanna see la Paloma, wanna stay alive
Wanna feel my heart
Wanna Be back home

I've got enough of killing brothers
I've got enough of raping sisters
Of cutting heads in the desert in the name of God
All the roads lead to Roma
Wanna see "la Paloma"
E basta, basta, basta,
BASTA LA PAURA

Wanna Be back home
Wanna feel my soul
Deep in between my thoughts
You feeling me
Wanna Be back home

Wanna Be back home

Wanna Be back home
Wanna Be my soul
Wanna stay alive, Be my Self, wanna feel your heart
Deep into love,
Wanna Be back home

I've got enough of killing brothers
I've got enough of raping sisters
Of cutting heads in the desert in the name of God
All the roads lead to Roma
Wanna see "la Paloma"
E basta, basta, basta,
BASTA LA PAURA

Wanna Be back
